

AMERICAN SOCIETY OF ANESTHESIA
TECHNOLOGISTS AND TECHNICIANS

Educational Conference

October 22-24, 2019 | Orlando, FL

**2019 SPONSOR AND
EXHIBITOR PROSPECTUS**

INVITATION FROM THE PRESIDENT

Dear Prospective Exhibitor:

We are planning our upcoming Educational Conference, and would like our plans to include your organization. Thanks to your support we have exceeded our membership goals and are achieving our educational goals as well. With your help we have been able to continue to promote the anesthesia technology profession as they take their place as a part of the anesthesia care team. Our organization provides education specifically directed to anesthesia technologists and technicians. Our members utilize the technologies represented by companies like yours, and share their experience and knowledge with fellow members while at these meetings. They will also share what they learn at the meeting, with providers and co-workers when they return to their facility.

ASATT will be hosting its 2019 Educational Conference in Orlando, FL. October 22-24, 2019 and we would like to extend, to you, an invitation to join us.

Get more out of your marketing budget by adding our meeting to your list of annual meetings. If you're marketing objectives include increasing product exposure by reaching anesthesia professionals, consider attending the meeting for those, who increasingly, are responsible for equipment and supply purchases. Technologists are members of local, regional and national purchasing groups, representing their employers along with purchasing and biomedical members. Responsibilities include bringing samples or arranging for product review and trial by the anesthesia providers. We invite you to submit your application to reserve premium exhibit space at our three-day event.

It is through our annual educational conference, as well as other opportunities, that ASATT continues to support the anesthesia care team in safe patient care practices. We welcome and encourage you to join in these efforts. Come, connect and network with over 300 prospective clients and affiliate entities.

To join us as an exhibitor or to view additional sponsorship opportunities, please review this Sponsor and Exhibitor Prospectus or online at www.ASATT.org. Should you have any questions please feel free to contact Kate Feuling at 414-908-4942 Ext. 111 or k.feuling@asatt.org.

Joyce Freeman

2018– 2019 ASATT President
