

ASATT Region 2 Meeting

Audience/Purpose

Penn State Hershey Medical Center's Anesthesia Technology Conference is intended for anesthesia technicians, technologists, students, and other medical professionals seeking education.

ASATT MISSION

The ASATT supports opportunities for professional development education and growth to the members. The ASATT is committed to maintaining the highest standards of patient care by anesthesia support personnel.

VISION

The ASATT will serve as a resource to the members and community as a vehicle to achieve patient care through education and research.

VALUE

Values through which our Mission and Vision are achieved:

- respect for others,
- integrity, responsibility and accountability,
- collaboration and teamwork,
 - diversity,
- self improvement and
- fiscal responsibility.
