**Want to help your fellow Cer. ATT or Cer. AT
with Continuing Education credits?**

**How would you like to possibly WIN an
AWARD while you do this?**

ASATT SCIENCE & TECHNOLOGY ARTICLES

Did you know?

ASATT has a Science and Technology Award which is awarded annually. The award is given to a selected individual. The individuals who are considered must submit a technical article to the editor of the SENSOR and/or to ASATT HQ. The article must first be selected for publication in the ASATT SENSOR. The authors of the technical articles must be either an anesthesia technician or technologist.

The article considered for the award will be selected from the winter through fall issues of the quarterly published SENSOR during that fiscal year. (i.e. Winter 2014 to Fall 2015)

All published articles will be judged by a panel of medical professionals in anesthesiology and evaluated on the subject matter, relevancy and its written presentation.

All submitted articles must be composed of 2,500 to 3,000 words, be formatted following American Psychological Association (APA) format guidelines and have properly annotated bibliographical references. A detailed guide is available at <http://owl.english.purdue.edu/owl/resource/560/01/>

All Science and Technology articles submitted for publication will be scanned with plagiarism detection software by the ASATT.

Please do not plagiarize.

If plagiarism is suspected, the Sensor editor will notify the Board of Directors prior to submitting the information to the ASATT Ethics committee for further investigation.

The technical article needs a TEN (10) question quiz. The questions are utilized for continuing education. The questions should be written by the author of the article.

If you are the recipient of the Science and Technology Award, you will be notified first by mail, and then your name will be announced at the ASATT Annual Educational conference. If the awardee is in attendance at the ASATT Annual Educational Conference, a plaque/award and a check in the amount of **\$1,500** shall be presented. If the awardee is NOT in attendance the plaque/award and check will be mailed to the winner to the address on record with ASATT HQ.

SO..... What are you waiting for??

Call or email ASATT HQ if you have an article to submit.

Note: Please do not call or email ASATT HQ to ask for help in writing the article. However, you can ask what deadlines exist for article submissions.

You may submit your article multiple times if it is not selected for publishing upon first submission.
